**NARRATIVE:**

Diaz, a documented member of the "Brownstone Loco Pocomia 13" street gang, has an extensive adult criminal history that began at the age of 19 and includes assault with a deadly weapon causing great bodily injury, vehicle theft, grand theft with a firearm, transporting/selling narcotics, evading police: driving the wrong way, disregard for safety, grand theft auto, under the influence of a controlled substance, parole violations and violation of supervised release. Diaz has served seven prison terms, the longest being five years for vehicle theft. He was released most recently, to the supervision of the Los Angeles County Probation Department on 12/17/2012. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in September 2013 after Diaz absconded from post release community supervision (PRCS). Diaz qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for evading peace officers: driving the wrong way is defined as non-serious and non-violent under the California penal code. His prior criminal history, status as an active gang member, and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
